Happy Mothers Day

Someone recently put a dollar value on how much mothers in America would make if they were paid to be mothers. Care to hazard a guess? \$1.5 trillion dollars!!! The truth is we give her one-day every year in May, and in return Mom gives us the other 364. Mothers give us eternal love under any and all circumstances. And for that we very graciously wish every mother a wonderful Mother's Day.

Win \$5,000 and kiss those long car rides
with the kids goodbye!
